**Regional Manager**

**Re:- Extension of last date of receipt of application for empanelment of suppliers/Printers/ Manufacturers/ Service providers in NZO**

With reference to office note dated 29/01/2024 duly approved by Competent Authority an advertisement was published in Indian Express (English) & Jansatta (Hindi) newspaper on dated 18/02/2024 for Empanelment of Suppliers/Printers/Manufacturers /Service Providers in NZO. The advertisement was also published on our website. Last date for submission of application was fixed 11/03/2024.

After expiry of last date on 11/03/2024 it has been noticed that number of applications received for empanelment are only 72 out of which some vendors have submitted multiple applications. These numbers of applications may not suffice our purpose of empanelment in different categories. The application envelopes are not still opened.

In view of foregoing facts we recommend that the last date for application for empanelment may be extended upto 27/03/2024. The same may be placed on website and advertisement in Indian Express & Jansatta may also be published in newspaper with the same vendor i.e. Bubna Advertising at the quoted rates of Rs. 1385/- per square cms. as approved vide office note 29/01/2024.
