

Revised Technical Bid Evaluation process:

The technical bids will be evaluated only of those bidders who fulfill the eligibility criteria. The Technical Bid response contains the detailed specification(s) for individual items.

- a) Only those bids which have been found to be in conformity of the eligibility terms and conditions will be taken up for further evaluation.
- b) LIC reserves the right to evaluate the bids on technical and functional parameters including visit and witness demos of the system and verify functionalities, etc.
- c) The vendor will have to conduct a POC, at LICs request, in Mumbai displaying all the functionalities mentioned in the technical specifications.
- d) Bidder should quote only those appliances which can seamlessly integrate with other standard security appliances procured through this RFP or future RFPs. Failure to do so may lead to bid being rejected and forfeiture of EMD/PBG.
- e) LIC may request for demonstration of interoperability of the various solutions provided. These demonstrations may be done at LIC Vile Parle or at vendor's premises in Mumbai.
- f) To assist in Technical Evaluation, LIC reserves the right to call for any clarification from any/all bidder during the evaluation of the bids. Such clarifications should be submitted only in writing. However, no other correspondence on bids will be entertained.
